Jay Elementary School Resource Officer Newsletter December 2021

Hello again parents and students! Only three school weeks until Winter Break! Friday the 17th before the break begins is an early release day (11:30).

Just a few reminders: Please do not use your mobile devices while your vehicle is in motion on the school property or within the 20mph School Zone. Our entire campus, including the parking lots, is a tobacco-free zone. Please remember there is no supervision of students on campus before 7:15am or after 2:29pm, so please do not drop off your children too early or pickup too late. And all visitors must check-in at the front office and present a government issued photo ID.

One exciting thing I'd like to share is we will be doing a food drive for Manna during the week of December 6th through the 10th. A flyer with more information will be sent home this Thursday, December 2nd.

Please reach out with any comments or concerns; I'd love to hear from you. My contact information is included below.
