Jay Elementary School Resource Officer Newsletter January 2022

Hello again parents and students and Happy New Year! Report Cards will be out January 14th, and there is No School on January 17th.

Just a few reminders: Please do not use your mobile devices while your vehicle is in motion on the school property or within the 20mph School Zone. Our entire campus, including the parking lots, is a tobacco-free zone. Please remember student drop off does not start until 07:15 AM and ends at 07:45 AM. Students dropped off after 07:45 must enter through the front door to the main office and obtain a tardy slip. Student pick-up begins at 1:59 PM and is usually complete by 2:15 PM, so please arrive no later than then. Lastly, all visitors must check-in at the front office and present a government issued photo ID.

Our food drive was a big success, and resulted in donations of over 500 food items to Manna! I'd like us to do another one in the Spring. Details to come...

Please reach out with any comments or concerns; I'd love to hear from you. My contact information is included below.

SRO Deputy Charles Swartz
